Founded in 2010, by a group of driven, dynamic and innovative individuals, EU Holidays was established in a bid to make travel different - by offering completely unique experiences that add perspective, inspiration and meaning to every traveller's journey. Today, we specialise not only in long-haul tours to Europe and USA, but also travel packages to destinations worldwide.

Other than specialising in outbound travel services, EU Holidays has also been actively expanding its expertise to inbound travel, curating domestic tours and packages that are well suited to international travellers' needs. The company ventured into organising youth educational exchange tours to Singapore for various education academies around the world. The agency has also broadened its business footprint in launching its Luxury Tours, Adventure Tours, Yacht Charters and Bespoke Golf sectors, as well as spearheading the first ever Ski & Snowboarding Academy in Singapore.
