Assemble at Singapore Changi Airport for your flight to the capital of Iceland - Reykjavik, land of fire and ice.

DAY 02 REYKJAVIK – HVOLSVOLLUR

(Meals on Board / Hotel Dinner)

Upon arrival, continue south to arrive at the small town of Hvalsollur, scene of one of the most well-known sagas of Iceland for rest and overnight. DAY 03 – VIK

(Breakfast / Icelandic Lobster Dinner)

This morning, we will start our full day excursion to Vik and set off on a scenic drive to view more of Iceland's natural beauty with a stop at the unique **Seljalandsfoss Waterfall** - a narrow cascade plunging over a 60-metre-high cliff. The unique pathway leading behind the waterfall gives visitors a chance to view the falls from within. Along the way, we will visit the great Skogafoss Waterfall, an impressive single-drop 60m waterfall. Due to the amount of spray that the waterfall consistently produces, a single or double rainbow is easily visible on sunny days. Tonight, indulge in a sumptuous

Icelandic Lobster meal.

Note: Due to limited accommodations available at South Coast, we may stay in Selfoss or Vik depending on availability

DAY 04 VIK – JOKUSARLON – SKAFTAFELL NATIONAL PARK – VIK

(Breakfast / Icelandic Fish Dinner)

Today, depart for one of Iceland's must-visit attractions - **Jokusarlon Glacier Lagoon**. Counting among one of Iceland's greatest wonders of nature, this famous glacial lagoon offers a breathtaking experience, where you will feel as though you've entered a magical realm filled with floating icebergs. Next, drop by the **Diamond Beach**, which gets its name from the ice chunks fringing the sea and make your way to our last stop - **Skaftafell National Park**. Literally translated as 'the Black Waterfall' due to the surrounding dark lava columns, **Svartifoss Waterfall** remains one of the most incredible and glorious waterfalls in Iceland.

Note: Due to limited accommodations available at South Coast, we may stay in Selfoss or Vik depending on availability

DAY 05 VIK

(Breakfast / Hotel Dinner)

This morning, embark on a drive that brings you from volcanic beaches to majestic glaciers and incredible stone formations. Arrive at the black sandy shores of **Reynisfjara** aka **Black Beach**,

where you can enjoy a leisurely stroll to see the magic of nature in the form of the black basalt columns stacked into pyramid shapes. Enroute, enjoy a photostop at **Dyrholaey The Arch with the Hole** - a 120-metre promenade famed for its staggering views of Iceland's South Coast, as well as its historic lighthouse and wealth of birdlife.

Note: Due to limited accommodations available at South Coast, we may stay in Selfoss or Vik depending on availability

DAY 06 VIK – GOLDEN CIRCLE – HUSAFELL

(Breakfast / Dinner)

Embark on Iceland's classic sightseeing tour - the **Golden Circle Tour** - to discover some of the most spectacular scenery and historic sites in Iceland. Admire Iceland's most popular waterfall, the **Gullfoss** and if you're lucky, you might even be able to catch sight of a rainbow arching over the tumbling waters flowing into the deep gorge. Continue to the nearby geothermal area, a site bubbling with activity and an abundance of hot springs. Here, you will be able to see the lively **Strokkur Geyser** which spouts water 30 metres into the air every 15 minutes. Finally, make a stop at **Thingvellir National Park**, a place of historical significance and geological interest to visit the Althing, an open-air assembly in the park where Iceland's oldest existing parliament first assembled in 930 AD. Before arriving back at hotel, enjoy a photostop at the hot spring area of **Deildartunguhver**.
